## MEN FOR GOD RALLY

JOIN US JANUARY 25 & 26, 2013

Our men's rally, held each year in the month of January, provides a time for hundreds of gentlemen to come to our campus and enjoy a weekend filled with great Bible teaching and fellowship.

Our theme this year is **"Dangerous for Good."** "When a man knows who he is in Christ; that he is made in the image of God and is no longer held captive by others' opinions... when he doesn't care if he lives or dies, he is now extremely dangerous... not for bad... but dangerous for good."

### BIBLICAL CHALLENGES FROM...

#### Wade Nolan & Brent Henderson

Wade Nolan is a Christian man who has led a life of high adventure. His background as a biologist and as a writer/producer set the course for his journey in life. After college he married and moved to Alaska where he lived for 17 years, including 5 years north of the Arctic Circle. Here he learned photography from some of the world's best wildlife photographers and launched his writing and television career. It was during this time he also was mentored by an Athapaskan native missionary named Fred Mamaloff. Through these experiences and many others Wade has become deeply passionate about reaching men for Jesus Christ.

Wade Nolan's productions have been broadcast worldwide on ABC, CBS, NBC and the BBC. He has sold over 7 million videos/DVD's that bear his mark and has won both national and international awards for his work. Recently

Wade has done filming for National Geographic and London's BBC Natural History Unit. He recently worked on an Alaska-Yukon Moose special with National Geographic TV.

Brent Henderson's uncommon background covers 30 years as a speaker, pastor, musician, and a major label-recording artist with

a dozen top ten hits to his credit. Brent has toured with Grammy and Dove award winners like; Steven Curtis Chapman, Sandi Patty, Avalon, Crystal Lewis, The Gaithers, The Billy Graham Crusade, and many more.

Together, Wade and Brent

bring 20 years of men's ministry experience. They believe that men can be equipped for a personal, vibrant, ministry-focused relationship with Jesus Christ. Using modern-day parables, along with true, life and death stories, this team delivers solid, Biblical truth in a way that will allow a man to become equipped for battle and "dangerous for good."
