November, 2010

Dear Friend:

**God's faithfulness continues** just as He said it would. His mercy is not only new every morning but every school year, this being our 67<sup>th</sup>.

God faithfully allowed us to end the summer in the black. Our bills were paid and our finances balanced. He has given us a slight increase in attendance - 103 students with open and hungry hearts. They are a blessing to us in their attitude, behaviour and passion for Christ.

We want to end the 2010 year faithfully, on a spiritually high note, and begin 2011 in tune with the Lord's will for this school.

**Your faithful assistance is now greatly appreciated.** Please pray for: (1) God to be glorified through this ministry each day (2) increased enrolment (3) finances to pay our bills over a long, cold, dark winter (4) our graduates to make a great impact around the world for Christ.

Our general operating account will soon reach bottom. Parschauer Hall and our waste treatment project are on hold. These are challenging days for many Bible schools and Christian organizations. Our Board of Directors is faithfully planning to adequately handle our many needs and yet propel our school forward.

Please contact me at any time with questions or suggestions. Follow our web page for up-to-date information regarding school activities and future events.

**Your faithful gift would be appreciated so much at this time.**

We are seeking to remain faithful to our original purpose and mandate to train Christian workers for the fields of the world.

Sincerely in Christ,

R. Barry Beebe  
President
