Note: When crossing the border, US citizens are required to carry proof of citizenship and proof of identity. For those 18 years of age and over, a birth certificate and a government-issued photo ID, such as a driver's licence, is acceptable. A valid US passport, passport card or NEXUS card also satisfies these requirements. Those under 18, need only present a birth certificate or other proof of citizenship.

THIS SUMMER**

**June 25-30
& July 2-7**

GOALS

The summer months provide an opportunity for the school to accomplish some much needed projects which cannot be completed during the school year. No matter what your skill level is, we can use your help. Here are some of our projects for this coming summer.

1

Our major project this year is converting our old library into a new residence for our ladies. Because of an increase in our enrolment, we are running out of room for our female students. This renovation will provide that extra space needed. When our new ladies' dormitory, Parschauer Hall, is built, the space we develop in this building will double as suites for guest speakers and conference guests or wheel-chair accessible housing for future students.

2

Another project for this summer is completing the remaining side of our kitchen/dining hall roof.

3

We also have other projects lined up to keep everyone busy.

WE NEED YOU

Now, we need your help. Why not join us this year for our Vacation with a Vision program? We will need skilled carpenters and electricians, and a host of others who can assist in many ways.

You can also assist us financially.

Our goal is to raise \$25,000 which will allow us to get a good start on these projects.
