

## WHAT'S IT ALL ABOUT?

Every year NBBI counts on you to help us with our many summer projects. Whether you can commit to coming for a week or if you can only come for a couple of days, we need you! Couples, families and special church work teams are all needed and welcomed! It doesn't matter whether you are a skilled labourer or just have a willing heart, there are plenty of opportunities to serve at NBBI. We will feed you, provide lodging and arrange fun activities. You will have a chance to fellowship with other believers and help invest in a practical way in the ministry of NBBI.

## BRING ALONG YOUR CHILDREN

Camp NBBI will be held for children ages 5-12, during the first week, July 1-6, with a full program of activities.

## REMEMBER

1. Registration will be Sunday afternoons at 4:00 p.m.
2. Pre-registration - Please complete the form and forward it to us. This will enable us to be properly prepared.
3. Bring your own bedding, a face cloth & towel, soap, shampoo, toothbrush, etc.

Note: When crossing the border, US citizens are required to carry proof of citizenship and proof of identity. For those 18 years of age and over, a birth certificate and a government-issued photo ID, such as a driver's licence, is acceptable. A valid US passport, passport card or NEXUS card also satisfies these requirements. Those under 18, need only present a birth certificate or other proof of citizenship.

## GOALS

The summer months provide an opportunity for the school to accomplish some needed projects which cannot be completed during the school year. No matter what your skill level is, we can use your help. Here are some of our projects that we are considering for this summer.

One project is the continuation of last year's major project. We converted the upstairs of our old library into a new residence for our ladies. Now we would like to work on the lower level. This renovation will provide room for six female students. When our new ladies' dormitory, Parschauer Hall, is built, the space we develop in this building will double as suites for guest speakers and conference guests.

Other projects include:

- Facelift our office area, (new carpet tiles, renovation of reception area)
- Foundation repairs on a few of our buildings
- New porch/entryway on staff home
- Many miscellaneous projects to keep everyone busy.

## WE NEED YOU

Now, we need your help. Why not join us this year for our Vacation with a Vision program? We will need skilled carpenters and electricians, and a host of others who can assist in many ways.

You can also assist us financially.

Our goal is to raise \$25,000 which will allow us to get a good start on these projects.
