Dormitory Life

New Brunswick Bible Institute seeks to provide a friendly, relaxed yet regulated atmosphere conducive to study and to individual development in Christian living. All dormitories are under the direct supervision of the deans and students who are appointed as student resident advisors. All single students are expected to live in the Institute dormitories during their freshman year. Students who live near the school may submit a request, through the registrar's office, to live at home. This request will be considered by the administration and an exception may be granted.

Dormitory rooms provide accommodation for two students. Rooms are furnished with bunk beds, mattresses, dressers, study tables, chairs and closets. Curtains for windows and closets have also been provided. The cheerfulness and comfort of the room depends largely on the touches provided by the occupants.

Students are expected to provide their own towels, sheets, blankets, pillows and cleaning supplies.

Appearance and Dress

An individual's personal appearance tells much about his or her character. New Brunswick Bible Institute's philosophy is that Christian men and women should form careful habits of dress and grooming which are modest, neat and discreet. All students are expected to dress neatly and appropriately at all times.

Standard of Dress

• **Full Dress** is worn for banquets, morning conference meetings, Sunday mornings and special occasions.

(Men) Suit or jacket, dress pants, dress shirt, tie and dress shoes.

(Women) Dress or skirt, blouse, and dress shoes or dress sandals. Skirts should come to the knee while standing or sitting and slits must not be above the knee. Tight-fitting or see-through clothing are considered inappropriate.

• **Neat Casual** is worn for evening conference meetings, Sunday evenings, prayer meetings and classes.

(Men) Modest, neat casual pants (e.g. Dockers), dress or polo shirt tucked in, and dress or casual shoes. A dress sweater may also be worn.

(Women) Modest, neat casual pants or skirt, dress top, and dress or casual shoes. Skirts should come to the knee while standing or sitting and slits must not be above the knee. Tight-fitting or see-through clothing are considered inappropriate.

• **Leisure** can be worn at all other times.

(Men & Women) Modest, clean and neat apparel without holes and not ragged looking. Long shorts, jeans, sneakers and flip-flops are appropriate.

Dress for meals

Breakfast - Leisure

Dinner - Neat Casual

Supper - Leisure (No work wear, gym wear or jogging pants)

Note: Any exceptions to this dress code will be made by the Dean of Men or the Dean of Women.

Physical Appearance

• Men will be expected to have their hair cut regularly. Long hair and extreme cuts are not permitted. Hair should be trimmed above the ears and shirt collar. Neat, well-trimmed facial hair is allowed. Earrings, studs, etc. may not be worn.

• Ladies will be expected to be discreet in both apparel and appearance. Make-up may be worn in moderation. Hair styles are not to be extreme in style or colour. Earrings or studs may be worn in the ear, no more than two per ear, provided they are moderate in size and colour. Other rings or studs for piercings may not be worn.

• All students are to be sensitive to those with allergies and avoid using heavily scented perfumes, soaps, etc.

Special Diets

Our dining hall is not equipped to accommodate every preference in diet. Our food services personnel work extremely hard to make appealing, nutritious meals and all students are served the same meals. On occasion we have students with special needs with underlying health concerns. An example would be an individual with celiac disease who needs a gluten-free diet. Only students who provide a doctor's note specifying a particular need for medical reasons will be considered when special meals are planned. This note should be sent to the registrar before the arrival of the student so the kitchen can be notified in advance and decide whether or not their special need can be met.

Textbooks

Textbooks are required for most courses. Our campus bookstore seeks to provide our students with textbooks at affordable prices. The prices vary each year with individual classes but students should be prepared for textbook costs of up to \$450. A textbook list is available upon request. Students receive the following discounts.

*Textbooks ordered at least two weeks prior to school opening 25%

*Textbooks (any other time of the year) 20%

*All other items (excluding red tag items) 10%

The bookstore also carries a wide selection of Bibles, Christian study books, commentaries, Christian novels, books on Christian living, gift items, CDs and DVDs.

Items of Interest for Family and Friends

Conferences, Rallies & Retreats

NBBI holds a number of special events for the public each year. These are days of refreshment and decision for many guests who come to us from across Canada and the United States.

Our Ladies' Retreat is held in mid October. This retreat draws our guests, staff and students together for a refreshing time of fellowship, praise and worship. It is a great time of spiritual renewal.

Kids' Quest is a children's retreat held in the month of November for grades 2-6. These young people are challenged from God's Word by a guest speaker and have a great time of fun and activity with our student body.

College for a Day is held twice a year for those in grade eleven or higher, or young adults who are employed in the work force. Mid November and late March, these young adults join us and sit in on some classes and participate in rallies, while rubbing shoulders with our present students and getting a taste of what Bible school is all about.

Our Men's Rally, held each year in the month of January, provides a time for gentlemen on our campus and in our local churches to study God's Word together. Seminars prove to be a real inspiration to our guests, staff and student body.

During the months of February and March, New Brunswick Bible Institute holds Encounter, our youth retreats for grades 7-12. Scores of teenagers flood the campus for fun-filled and spiritually-inspiring days. Guest speakers and faculty from the school combine to challenge the

young people to a life of commitment to Jesus Christ. Students minister through counselling, special music and leadership in sports activities.

Spring Bible Conference is held at the end of April or the beginning of May. The Sunday afternoon graduation service is the highlight of our Spring Conference and the climax of the school year. This service includes a clear presentation of the Gospel as a Christian witness to the many unsaved friends and relatives of students who attend this special occasion.

Campus Visits

Students may also have guests on campus at other times of the year. Permission should be granted first by our Deans' department.

If a visitor is a prospective student, an appointment can be set up with our Registrar. Meals and accommodations are free for these guests.

Open Bible Bulletin

Parents and friends who wish to keep up with what is going on at NBBI can request that their names be added to our mailing list. The Open Bible Bulletin is sent, free of charge, each month. You can receive it by mail or receive an email notification to view it on-line.

b) Proof of identity - A valid passport or travel document for you and each accompanying family member. The passport or travel document must allow you to return to the country that issued it. Citizens and permanent residents of the United States, St. Pierre and Miquelon, and Greenland do not need a passport, but do need proof of status and citizenship, such as a national identity card or an alien registration card.

c) Proof of financial support - You must prove that you have enough money to pay for your tuition fees, living expenses for yourself and any family members who come with you to Canada, and return transportation for yourself and any family members who come with you to Canada. You can prove that you have sufficient funds to support yourself in Canada by showing some of the following:

- proof of a Canadian bank account in your name if money has been transferred to Canada;
- proof of a student/education loan from a financial institution;
- your bank statements for the past four months;
- a bank draft in convertible currency;
- proof of payment of tuition and accommodation fees;

- proof of funding paid from within Canada if you have a scholarship.

For full details please see the Canadian Government Web site at www.cic.gc.ca (click on Study). Canada Immigration will charge a nonrefundable fee to cover the cost of processing the application for entry into Canada.

3. Students driving into Canada must report to the Canada Immigration Centre at the place of entry into Canada. Please allow time for immigration processing at the border. They must also report when they are returning to their homes.

Please Note: Parents, family or friends travelling to Canada with students will also be required to have a passport, passport card, or other WHTI-compliant document when crossing the border. Children under the age of 16 will be able to present the original or copy of their birth certificate, or other proof of U.S. citizenship such as a naturalization certificate or citizenship card.

You will find the immigration and customs officials, for the most part, very co-operative and friendly. Come with the documentation above, be very courteous, respectful and Christ-like, and you should have no difficulty entering into Canada.

Information for Married Students

Living Arrangements

Married students are expected to find their own living accommodations and should therefore visit the area well in advance to make suitable arrangements.

New Brunswick Bible Institute operates a mobile home court with a limited number of sites available for rent. Anyone planning to rent a site should apply early. Procuring and moving a mobile home to the site is the student's responsibility. All inquiries should be directed to the Registrar's office. The sites are provided with water and sewage connections. Municipal taxes, power, oil/gas and telephone are billed directly to the occupants. Please see the financial section for rental costs.

Wives Wishing to Take Classes

Wives of married students are encouraged to enroll in classes whenever it is possible to do so. Tuition fees for classes are charged according to the number of hours per week the class is taught. There is no fee for auditing classes. However, anyone taking classes must register with the office.

Local Schools for Children

Children of students and staff attend our local schools. Hartland Community School includes Kindergarten to Grade 12 and is located 5.9 kilometres from NBBI. School busses pick children up and drop them off right in front of our campus for those living here.
