

WHAT'S IT ALL ABOUT?

Interested in a summer missions' trip right in your backyard? NBBI could use your help. During the summer months, the students are gone, but the work doesn't stop. There are many projects and jobs that need to be completed before our students return in the fall. Maybe you can come for a week or even for a few days. No matter what your skill level is, we can use your help. Come join us and we will give you a place to stay, feed you, and provide all kinds of great fellowship along the way.

BRING ALONG YOUR CHILDREN

Camp NBBI will be held for children ages 5-12, during the first week, June 28 - July 3, with a full program of activities such as hiking, swimming, games, and lessons from the Bible.

REMEMBER

1. Registration will be Sunday afternoons at 4:00 p.m.
2. Pre-registration - Please complete the form and forward it to us. This will enable us to be properly prepared.
3. Bring your own bedding, a face cloth & towel, soap, shampoo, toothbrush, etc.

Note: When crossing the border, US citizens are required to carry proof of citizenship and proof of identity. For those 18 years of age and over, a birth certificate and a government-issued photo ID, such as a driver's licence, are acceptable. A valid US passport, passport card or NEXUS card also satisfies these requirements. Those under 18, need only present a birth certificate or other proof of citizenship.

THIS SUMMER

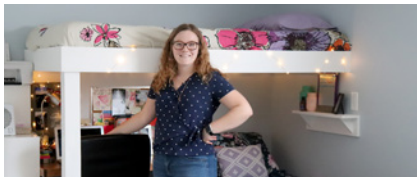

June 28-July 3
& July 5-10

GOALS

The summer months provide an opportunity for the school to accomplish some needed projects which cannot be completed during the school year. No matter what your skill level is, we can use your help. Here are some of our projects that we are considering for this summer.

- Last summer, we renovated two rooms in Liberty Hall (our girls' dorm). After seeing the finished result of the updated rooms, we have decided to move ahead and continue working towards the completion of this project. Our goal is to complete one floor of the girls' dorm this summer, which will cost approximately \$50,000. This equals \$10,000 per room which is much below the cost of a new dorm.
- Various other carpentry, painting and general maintenance projects are also needing to be done.
- Many miscellaneous projects to keep everyone busy.

WE NEED YOU

Now, we need your help. Why not join us this year for our Vacation with a Vision program? We will need skilled carpenters and electricians, and a host of others who can assist in many ways.

You can also assist us financially.

Our goal is to raise \$50,000. This amount would allow us to complete one floor of the girls' dorm at \$10,000 per room.
